**PETITION FOR EXTENSION OF TIME
AND RESPONSE TO EX PARTE QUAYLE**

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants petition for a one-month extension of time to respond to the Ex Parte Quayle (the Office Action), mailed on February 24, 2005, extending the period for response to May 24, 2005. Enclosed is a check in the amount of \$120.00, as payment of the extension fee. Applicants respond as follows.

The Office Action indicated that a new Declaration was required that sets forth a specific error and includes language to cover any changes made since the original Declaration. Applicants submit herewith, a Supplemental Declaration Of Inventors that overcomes these issues.

Applicants also submit herewith a separate paper providing support for the claims of the above-identified reissue application.

Applicants submit herewith a copy of the Specification in double column format, as requested by the Office Action.

Applicants submit that the claims filed on January 7, 2002 represent the current status of allowed claims.

Applicants submit herewith 22 sheets of formal drawings (Figures 1-31) as requested in the Office Action.

Applicants submit herewith the original ribbon patent as requested by the Office Action.

It is believed that all formal matters have been addressed and Applicants respectfully request early passage to issue of the present application.

Respectfully submitted,
